

# DON'T FORGET TO BUNDLE UP THIS SPRING

**Package that Hurco machine with Procobots automation and get 25% off.**

Futuring-proofing your shop is always a great call, but if you can do it while saving money at the same time, that might make you a legend in the Accounting department.

Over 50 machines are eligible for the Hurco spring promo, including 3-axis mills, turning centers and 5-axis machines. Give that machine automation from Procobots and you'll be producing parts like you never have before.

## ABOUT HURCO MACHINES

- Rigid and reliable machine platform
- The most versatile CNC control in the industry
- A fit for both new shops and high-production facilities
- Backed by a consistently satisfying support experience

## ABOUT PROCOBOTS PROFEEDER TRAY SYSTEM

- Automate parts up to 10 pounds
- Absolutely no robot programming
- Small footprint that fits in a 4-foot square
- Fully collaborative with no safety guarding or scanners needed
